## **Privacy Statement**

We take your privacy very seriously. This privacy statement applies to our Tennis Machine application and is intended to inform you how we collect, use, and protect your personal information.

### **1. Scope of Application**

- (a) Currently, our software does not collect your private information.
- (b) When you use the network services of our application, the application automatically receives and records technical data necessary for providing the service, such as your IP address, browser type, language used, access date and time, hardware and software characteristics, and web page records you request. These data are only used for technical support required to provide the service and do not include any personally identifiable information.

### **2. Information Usage**

- (a) Our application will not provide, sell, rent, share, or trade your personal login information with any unrelated third party.
- (b) Our application does not allow any third party to collect, edit, sell, or freely disseminate your personal information by any means. Any user of our application platform who engages in such activities will be immediately terminated upon discovery.

### **3. Information Disclosure**

- (a) We will not disclose to any third party without your prior consent.
- (b) To provide the products and services you request, it may be necessary to share your personal information with third parties.

(c) According to relevant laws and regulations, or requirements of administrative or judicial institutions, disclosure to third parties or administrative and judicial institutions.

(d) If you violate Chinese laws and regulations or the service agreement or related rules of this application, disclosure to third parties.

(e) If you are a qualified intellectual property complainant and have filed a complaint, disclosure to the defendant upon their request to handle potential rights disputes.

#### **4. Information Storage and Exchange**

Our software will not upload any of your personal data to servers in any way.

#### **5. Changes to This Privacy Policy**

- (a) If we decide to change the privacy policy, we will publish these changes on the website and in other places we deem appropriate so that you understand how we collect and use your personal information, who can access your personal information, and under what circumstances we will disclose your personal information.

- (b) We reserve the right to modify this policy at any time, so please check frequently. If there are significant changes to this policy, we will notify you through the website.

If you have any questions about the privacy statement, please contact us via:
